Ms. Khan & Ms. Corbett:

I just realized that I failed to contact you to let you know that the [REDACTED] case, to which I had summonsed you both, resolved with a plea on 3/23. The defendant took a Guilty with drug-related conditions on a 1 year probation.

I believe I had indicated to you that because this was a simple possession case, I did not expect it to have a trial. However, that certainly didn't let me off of my responsibility to let you know when I knew for a fact that I would not need you.

Please accept my apology for this screw-up. I very much appreciate your assistance, and thank you again for making yourself available.
